

All Hallows Academy families back to the A,B,C's

All Hallows Academy greeted families, students, school staff and volunteers at its welcome back event that takes place on campus each new school year for TK through eighth-grade students. More than 500 attendees participated in this year's theme "Endless Summer Family Night," with many wearing Hawaiian- and surf-inspired attire. Food was catered by Saya Tacos and a shaved-ice truck served treats. There was a surf simulator, gaga ball pit, blow-up slide, dance party with a DJ and a petting zoo.

Chandra Bishop, Lauren Forgione and Erin Kozak co-chaired the party. Principal Mary Skeen said of the afternoon: "We were delighted to see all the new and returning families ... This year's fun night delivered — the students, their families and our staff all had such a good time!"
